Maharaja Agrasen Institute of Technology (MAIT), New Delhi, offers a wide range of courses for the academic year 2026 including B.Tech, BBA, BA (Economics), MBA, B.Com, BA LLB, BBA LLB, and BJMC. Apply now and secure your seat in one of the top engineering and professional institutes in Delhi.

Direct Admission in MAIT, Delhi 2026 – Complete Admission Process

Maharaja Agrasen Institute of Technology (MAIT) offers students an opportunity for Direct Admission in MAIT Delhi through its management quota seats. With 10% of seats reserved for management quota based on 12th-grade performance, students can bypass entrance exams like JEE Main, CLAT, and IPUCET and secure their spot.

Students looking for Direct Admission in Maharaja Agrasen Institute of Technology can take advantage of this option to secure admission without solely depending on competitive exam scores. The remaining 90% of seats are allocated through IPU counselling, where students must meet the required JEE Main/CLAT/IPUCET cut-off and other academic qualifications.

B.Tech Admission at MAIT 2026 – Direct Admission & IPU Counselling

B.Tech admission at MAIT for 2026 is available through IPU counselling as well as Direct Admission in MAIT Delhi under the management quota, offering students multiple pathways to secure a seat in this reputed institute.

B.Tech Courses Offered at MAIT

Computer Science Engineering (CSE)
Computer Science Technology (CST)
Computer Science Engineering with Artificial Intelligence (CSE-AI)
Computer Science Engineering with Artificial Intelligence & Machine Learning (CSE-AIML)
Computer Science Engineering with Data Science (CSE-DS)
Information Technology (IT)
Electronics & Communication Engineering (ECE)
Electronics Engineering (VLSI Design & Technology)
Electronics & Communication Engineering with Advanced Communication Technology (ECE-ACT)
Electrical & Electronics Engineering (EEE)
Mechanical Engineering (ME)

These programs are designed to prepare students for high-growth careers in software development, AI, data science, electronics, VLSI, automation, and core engineering sectors. Students seeking **Direct Admission in MAIT Delhi** can explore these diverse specializations based on their career goals and academic interests.

Eligibility Criteria for B.Tech Admission at MAIT

For B.Tech admission in MAIT, candidates must meet the following criteria. Students interested in **Direct Admission** should also fulfill these requirements:

Have passed **10+2 (CBSE or equivalent)**
Studied **Physics, Chemistry, and Mathematics (PCM)**
Secured at least **55% aggregate marks**
Must have **English** as a compulsory subject
This eligibility applies to all **B.Tech CSE, AI, ML, Data Science, IT, ECE, VLSI, EEE, and Mechanical Engineering** courses at MAIT.

Admission Process for MAIT B.Tech 2026

Admission to MAIT B.Tech courses is primarily based on **JEE Main Paper-1**, conducted by the National Testing Agency, followed by centralized counselling through Guru Gobind Singh Indraprastha University (GGSIPU). Seats are allotted based on JEE Main rank, merit, and preferences filled during the counselling process.

Students with strong JEE Main scores can secure admission in top branches like CSE, CSE-AI, CSE-AIML, Data Science, IT, and ECE. For those who may not meet the required cutoff, **Direct Admission in MAIT** through the management quota offers an alternative route, subject to eligibility and seat availability.

For students opting for **Direct Admission in MAIT**, the process is carried out through the management quota. Candidates need to meet the basic eligibility criteria, after which they can apply directly to the college or through authorized admission consultants. Seat allocation under **Direct Admission in MAIT** is based on availability and is usually offered on a first-come, first-served basis, especially for high-demand branches like CSE, AI, and Data Science.

Direct Admission in MAIT Under Management Quota 2026

Students who could not get a good JEE Main rank or are looking for **B.Tech Direct Admission in MAIT** can apply through the **Management Quota / Vacant Seats process**, as per **GGSIPU and Government of Delhi norms**.

This option is ideal for students seeking **direct B.Tech admission in Delhi** in high-demand branches such as **CSE, AI, Machine Learning, Data Science, IT, Electronics, VLSI, and Mechanical Engineering**.

MAIT is considered one of the **best colleges in Delhi for B.Tech direct admission and management quota seats**, especially for **computer science and emerging technology programs**.
